GREENWAY MODERN SCHOOL

ROORKEE

PREFACE

Let the wise hear and increase in learning, and the one who understands obtain guidance...

Lord I come to you with a prayer for my child's education. I ask that you fill him with a love for learning, a desire to discover, and a thirst for knowledge that will stay with him through out his life. Teach what accords with sound doctrine.

Within these pages we hope you can catch a glimpse of what the school seeks you to achieve. We have captured all the facts of the school curriculum in a very orderly organized manner which will be accessible to both parents and the children.

We hope this syllabus booklet proves to be a worthwhile microcosm of the school and will prove to be worthwhile throughout the 365 days.

School curriculum shows pedagogical innovation and pastoral care which are the warp and weft of the fabric life at Greenway.

We have woven an aesthetic pattern of learning activities which are the kernels of education.

So let's give purpose to our education by turning the mirrors into windows.
